

LEAGUE GAMES ARE ON TODAY

Baseball at Athletic Park and
Racing Held at
Kapiolani.

Baseball and racing this afternoon give all the fans a chance to see something in the sporting line, and the games which started at 1:30 on the Athletic Park diamond drew a large holiday crowd from all parts of the city.

Hawaii and Stars lined up for the first event of the afternoon, and when they have fought it out to a finish, the Portuguese and Japanese teams will have a go to finish the day in good shape.

Out at Kapiolani Park there are two horse races scheduled, the first to start at 4 o'clock, and the lovers of the "sport of kings" can have a chance to see something real good in the running line with some of the well-known jockeys up.

The sunar league has no games scheduled for today, nor have any of the minor teams, so that the fans who are looking for baseball sport will all be at the Athletic Park for the games. Had there been no heavy rain to make impossible the games of Sunday, today would have been dead along sport lines except for the horse races this afternoon.

The Athletic Park management has spent considerable money to raise the ball field and thought that no matter how hard it rained there would be no postponed games on account of rain.

Sunday's experience has shown otherwise, and now it is up to someone to find a way to get the water off the field.

If it is the storm sewer which is inadequate, then the supervisors should take steps immediately to have a larger one put in, and if any other drains can be put in on the surface to help those now in existence, it is up to the management to see that they are put in.

Baseball is too good a sport to be marred on a pleasant day like Sunday by rain which fell thirty-six hours previously, and it is up to someone to correct present conditions on the ball field.

The Pearl City Juniors shut out the Aiea Juniors in a ball game on Sunday. The game was played at Aiea, and although the Aieas had the bases filled more than once, they failed to score. The lineup of the winning team was as follows: Paul Kappeler, c.; Frank Jose, p.; Ah Hui, 1b.; Yoshi, 2b.; Thomas Guld, 3b.; Ah Han, ss.; Ah Kul, rf.; Jimmy Fernandez, cf.; Alfred Costa, lf.; Subs: Harry, George, Lawrence, Herbert.

Honolulu is not a sporting town, as was seen from the crowd which turned out to the wrestling bouts on Saturday night. It is no wonder that promoters of stage boxing or wrestling bouts are so hard to find, for the support they get is enough to deter anyone from entering the game. It is about up to the fans to patronize the events that are pulled off.

Headlin club is to inaugurate a "crew book" to keep track of when and where the different boats are used during the season, the name of the crew, the distance it goes and the time consumed to be entered. Then at the end of the year a prize will be given to the crew that has done the most conscientious work.

Baseball is warming up in army circles, and the artillerymen at Ruger have trimmed all teams in the military of Honolulu. Out at Schofield they are playing great ball, and the Ruger bunch may go up against something real hard when they play either the cavalry or infantry teams there.

The latter part of next week and the first of the following one there will be lots doing in sporting circles here. A fifteen-round box, monoplane flights, horse and motor cycle racing, and the Waiata cruise of the yacht club, will give all the fans something to think about.

Bogey play is on at the Oahu Country Club links today instead of tomorrow as originally scheduled. A large number of golfers are at the club today and the ground is in fine shape.

Five to two was the score by which the Panabot second team trimmed St. Louis yesterday afternoon at Aiea Park.

KAM SENIORS DEFEAT FACULTY

Interesting Game Played Saturday Afternoon—
Score 12-11.

There was a very exciting game of baseball played on the new athletic field of the Kamehameha Schools Saturday afternoon between the seniors and a team from the faculty, in which the former won by the very close score of 12-11. The game was interesting and one creating much laughter. A big crowd was on hand to cheer their favorites, the faculty team having the largest crowd of rooters.

The game started off with a big lead for the senior team. They made two runs in the first inning and added four more in the third. After that they were held down for some time.

In the sixth inning Mr. Horne made a good running catch out in center field which won applause from the spectators.

Mr. Hopwood was in the box for the faculty, with A. Hottendorf at the receiving end, and both played a fine game. Mr. Partridge, a new man, on first base, showed that he was not out of the game yet. The senior team was not so good as expected, as the score shows they only won by one run. Bob Mahikoa was in the box for the seniors and was rattled at times.

It was not until the fifth inning that the excitement was highest, for it was then that the faculty team piled up five runs. During the inning the seniors made a few costly errors.

The score:
Seniors 2 2 3 0 0 1 0 2 1—12
Faculty 0 0 0 5 0 1 0 3 1—11

Lineup:
Seniors—K. Mackenzie, c.; R. Mahikoa, p.; B. Kaupuni, B. Husey, 2b.; J. Kuanne, 3b.; D. Kalai, ss.; H. Apo, lf.; G. Hapal, cf.; J. Kamehameha, rf. Faculty—A. Hottendorf, c.; J. L. Hopwood, p.; G. Partridge, 1b.; S. Livingston, 2b.; E. G. Bartlett, 3b.; W. H. Winters, ss.; J. Menga, lf.; P. Crossman, rf.; P. L. Horne, cf.

KNEW EVERYTHING THAT WAS HAPPENING

CINCINNATI—By means of seventeen dictaphones, President John T. Brush and Manager McGraw of the New York Giants were enabled to know what was transpiring on the diamond at the Polo Grounds before the big fire there.

These machines, according to J. W. Bullock, secretary and treasurer of the Bullock Company, which manufactures the dictaphones, were scattered over the Polo Grounds. One was placed under each player's bench, two were buried under the coaching lines, several in the ticket office and in the dressing rooms of both the home and visiting players.

The machines had wires attached to them that ran through a switchboard to a private room where the officials of the club could use them. The machines, according to Bullock, were installed at the solicitation of McGraw.

The instruments are said to intensify sound to such a degree that even the lowest whisper could be heard for a great distance.

When the story became current local baseball fans declared that if it were true the plan explained much of the Giants' success in the last two years.

JUNIORS DEFEAT SEVENTH GRADE TEAM

In a very close game Friday morning the Kam juniors defeated the seventh grade baseball team by the score of 2-1. A big crowd of students attended the game and rooted for their favorites. It was a pitchers' battle all the way.

C. Hosen, who was in the box for the losing team, struck out ten men to W. Kamaopili's fourteen. Apau was the hero of the day. Twice during the game while G. Hewitt was on first he knocked out a three-bagger. The seventh grade team made its run in the eighth inning by a wild throw to third. The score by innings:
Seventh Grade 0 0 0 0 0 1 0—1
Juniors 0 1 0 0 1 0 0—2

CHICAGO, May 16.—A report that there was gambling on baseball games carried on in the grand stand at the Chicago American League park Sunday while Chicago and Philadelphia were playing caused President C. A. Comiskey to take decisive action yesterday to put a stop to it.

He has engaged men to watch for gamblers in all the stands and bleachers and arrest any one caught making a wager on any game.

SANE FOURTH HITS FIREWORKS CO.

NEW YORK—Four of the five directors of the Pain Manufacturing Company, one of the best known fireworks firms in the country, filed a petition in the Supreme Court asking that the corporation be dissolved because the national movement for a sane Fourth of July made it unprofitable to continue business longer. The fifth director of the company is Henry J. Pain, the president, who owns 475 of the 500 shares of stock, and who, the other directors say, is in London and refuses to return to help the company out of its financial difficulties.

Frank Chance claims a rather unique record. He has been hit on the head with a pitched ball no less than 38 times since he entered the big league. He has been knocked down and all but killed several times, and still he has no fear when facing a pitcher. Frank is beginning to think that he is the original bone-headed man, and he claims the rather doubtful honor of stopping more balls with his head than any other player in the world.
